Subject: Annual Maintenance Schedule
(Hot Mix Asphalt Plant)

Valued Customers,

The Hot Mix Asphalt Plant will be undergoing annual maintenance and significant upgrade projects as of Monday February 23rd. We expect the maintenance and upgrades will be completed no later than Friday March 6th. More updates will be sent as we get closer to the completion of the project(s).

ALL other products and services such as class II aggregate base, rubble disposal, emulsion, hot melt crack filler, and all bucketed Crackfill and OverKote materials will continue to be offered without interruption throughout this period.

Please continue to communicate your backlog project schedules and specific material needs with a member of our sales and/or operations teams at (408) 287-1400.

Sincerely,

Team Reed & Graham
